The first is the "SkateDaze Christian Youth Lock-In" which is held once every month on the First Saturday. This Lock-In allows for numerous churches and denominations to book at one

time and in any amount of participants. Many groups cannot meet the 75 minimum guideline and this allows them to book 2, 10, 20 or any amount of guests. Pre-registration is required 2 weeks in advance. Please rsvp by calling 895-1400. Since there are numerous groups at a SkateDaze Lock-In, all guests are encouraged to wear and bring only what is necessary; however, there are small coin operated lockers available. "Private Lock-Ins" are only available for 100 or more. However, a party can be booked for less than 100 as long as the group commits to paying for a minimum of 100 guests. At a private lock-in; prices and hours are flexible, as the guests know each other and have more flexibility. They are allowed to bring any additional items deemed necessary for their outing. This sometimes incorporates auctions, prizes, and special food items, such as cakes or cookies. Private lock-ins need to be reserved at least 2 weeks in advance.

– Once a group has decided on the Lock-In that best meets their needs, make reservations at 895-1400. It is best to book at least 4-6 weeks in advance to assure availability. As we approach 2 weeks before the Lock-In, we ask that you call us back to give us a firm number on the attendance. We know this can vary on the night of the Lock-In, but this "firm" number helps us to make sure we have enough employees scheduled. We will confirm your deposit has been paid and go over any other questions.

– Deposits are due on date of reservation. Credit cards and checks are accepted. A \$100.00 Non-refundable deposit is required for the SkateDaze Lock-In. If a check payment is desired, we need to receive it within 2 weeks of reservation. Make check payable to SkateDaze, write date of Lock-In on check, and mail to SkateDaze at 3616 South 132 Street, Omaha, NE 68144. No exceptions will be made. If deposit is not paid, we will not be able to hold your reservation.

– Final payments for balance of Lock-In will be accepted on the night of arrival. In order to provide the easiest form of payment, we ask that you collect all the payments from your participants ahead of time. You can pay the balance in cash, by check or credit card. We prefer that all checks be made to the church or organization and that one (1) check for the balance is made payable to SkateDaze. We will accept a combination of cash/check/credit card. At the time of payment, we will ask for the number of chaperones in your group. We will allow (1) for every 25 guests at NO COST. Any additional chaperones over our FREE limit would be charged accordingly. Due to the confusion and desire for participants to "get to the activities," this is the easiest way for collection of payments for SkateDaze and for you.

- Lock-Ins at and at 6 Lock-Ins and at the time and hours selected. Lock-ins and Lock-ins promptly at the times designated. All guests need to exit to their transportation at that time. All guests will provide their own transportation.

- SkateDaze will provide adequate employees and managers. SkateDaze requests that there be at least (1) chaperone per 25 youth. There will be NO cost for this volunteer. Sponsors and chaperones will be responsible for their participants at all time and will be subject to dismissal for unruly behavior. In the beginning of the Lock-In, the manager will go over all the instructions in regards to the activities at all attractions. All participants MUST listen closely as the rules are explained. The most important rule at SkateDaze is "Safety First." There will be no running, unruliness or harassment of any of the employees or guests at anytime. If individuals of any group "get out of hand," the manager may ask that the "whole" group leave the lock-in without refund. Our goal is that everyone has fun, but also respects the enjoyment of all other participants at the Lock-In as well as the facilities. Participants will NOT be allowed to leave the premises unless they have formal permission from the leader of the group and the SkateDaze manager. No alcohol, tobacco, or drugs are allowed to be brought onto the SkateDaze premises.

- – ALL ATTENDEES AT A LOCK-IN WILL BE PARTICIPATING HAVING FULL KNOWLEDGE THAT IT IS "AT THEIR OWN RISK." [MAP TO SKATEDAZE](#) – A map can be printed. Any further explanations needed, please call SkateDaze at 333-3555 or email us at info@SkateDaze.com
