summer isn't that far!

For over twenty years, our summer camps have been providing fun and education for thousands of children. When school is out, Camp SkateDaze is the best place for your kids to play and learn in a safe environment surrounded by caring professionals. We mix learning with fun to help create unforgettable summers for everyone.

SkateDaze Staff

Campers are led by Professionals and College students many of whom are pursuing degrees in education and other child related fields. Each year our staff goes through an extensive orientation process to ensure they can accommodate the needs of all our campers. Many of our counselors are CPR and First Aid certified. Our attentive staff is committed to creating a fun-filled, safe experience for your child.
